High Quality 3-Ply Fabric Masks

Reduce the spread of COVID-19 with these top quality 3-ply masks.

Designed in accordance with Department of Health recommendations.

- **Comfortable to wear** – elastic goes behind the head, not around the ears, and holds the mask gently but firmly in position.
- **Efficient filtration** of micro-droplets containing coronavirus.

Thick, pure cotton (outer layer)

Microporous non-woven breathable fabric (middle layer)

Soft, woven fabric (inner layer)

Individual mini-packs

Each mini-pack (for 1 person) includes:

- **Two masks** - so you have a clean mask to use while the other is being washed.
- Detailed, colour-illustrated **instructions**
- In a sealed **ziplock bag**

Box of 20 mini-packs (40 masks)
delivered by courier throughout South Africa
R1800 incl. VAT and delivery (R90 per mini pack)
Ex VAT: R1565.22 per box (R78.26 per mini pack)
